SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health.

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

Be it ordained by the council of the Town of North Tazewell, Virginia:

1. That the town of North Tazewell hereby declares that it is desirable to annex, in pursuance of the act of the General Assembly of Virginia, approved March 10, 1904, (Acts 1904, page 144), certain territory of the county of Tazewell, adjacent to the present corporate limits of the said town, being composed of two parcels of land, on the west and south of said town, described as follows:

First parcel: Beginning at a stake on the east line of the old W. W. Peery land, and in west line of the lot formerly known as the Mont Steele lot (state about 260 feet North of the Thompson lot), this being on the present line of the corporation, thence to and with the north line of the first alley in North Tazewell Land Corporation's Riverside Addition to said town, which alley lies north of and parallel to North Street of said Addition, thence with said alley south 78 degrees west 695 feet to a stake, thence north 89 degrees west 250 feet to a stake, thence south 60 degrees 50 minutes east 100 feet to a stake, thence north 68 degrees 45 minutes east 243.2 feet to a stake, a corner to M. A Good Thing For Children

Foley's Honey and Tar is a particularly good cold, cough and croup medicine for children because it contains no opiates or habit-forming drugs. The "little cures" of summer are as well as the long standing, deep seated coughs, that hang on for months, are banished by its use. The first dose brings relief and comfort.

He Could Hardly Walk.

Deranged kidneys cause rheumatism, aches, pains, soreness, stiffness, Ambrose Gary, Sulphur, Okla., writes "I was bothered with kidney trouble ten years and at times could hardly walk. I began taking Foley Kidney Pills. I got relief from the first but continued till I had taken three bottles. I feel like a new man."

But at present the "temporary prosperity" argument has a very weak and far-fetched sound. It betrays the poverty of Republican logic and the lack of substantial facts. We are inclined to think that Mr. Hughes as a political figure of prominence will prove more "temporary" than the country's prosperity.—Baltimore Sun.

Children Cry FOR FLETCHER'S CASTORIA

Freeling, Va., July 31. McDonald Whitaker had the misfortune to get his knee crushed by a log at Collins' Camp, while trying to assist a fellow worker who was caught by it. The other, whose name could not be learned, had his leg broken. Whitaker is said to have been one of the best hands on the works, and has been there for about two years.

The Best Laxative. To keep the bowels regular the best laxative is an outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables. Also establish a regular habit and be sure that your bowels move each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

J. M. PROFFIT GREW GRADUALLY WEAKER

Lynchburg Man Says He was Going Steadily Down Hill, Losing health and strength.

"I was suffering with chronic constipation and general debility," said Mr. J. M. Proffit, 315 Canal street, Lynchburg, Va. "I was all run down and didn't sleep at night, was nervous and suffered a great deal with that tired weary feeling. I had no appetite, whatever, and was growing gradually weaker and weaker. I was so badly constipated, also, and had to be constantly taking some sort of purgative, in the hope of relieving a constant headache which I suffered. I bought Tanlac because it was advertised. Since taking this medicine my general condition has been improved in every way. My appetite is fine, I eat what I wish, sleep sound as can be, am troubled no more with constipation, my bowels regular, those headaches have disappeared and I am regaining my lost strength, which my steady increase in weight as mute testimony. Are you bothered with any of the ailments mentioned above, if so go today to Dr. John E. Jackson's drug store and get a bottle of Tanlac.

Cure for Cholera Morbus.

"When our little boy, now seven years old, was a baby, he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family have used this valuable medicine for colic and bowel troubles with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.

"The highest compliment a girl can receive is for a man to ask her to marry him."

"Well, I don't know. Most girls get two or three of those compliments. But how many girls are asked to permit their features to appear upon a soap calendar?"

True love, in an author, is demonstrated by his self-restraint in refusing to make "copy" out of a love affair.

A Woman's Kindly Act

Mrs. G. H. Eveland, Duncan Mills, Ill., writes: "I was stricken with lumbago, unable to turn in bed. A neighbor brought Foley Kidney Pills. She had been similarly afflicted and they cured her. I was cured by three bottles." If the kidneys do not function, lumbago, rheumatism, aches, pains are apt to result.

A Season Of Torture For Some

Hay fever causes untold misery to thousands. Asthma, too, counts its sufferers by the thousands. Foley's Honey and Tar soothes that raw, rasping feeling in the throat, relieves hoarseness and wheezing. Makes the breathing easier, heals inflammation, tains no opiates. For sale by the Hawkins' Pharmacy.

True love, in the poet, is expressed in soul kisses, and by his inability to do any work for days at a time.

Those who ignore warning signals of disordered kidneys and scoff at dangers of serious consequences often pay the penalty with dread diabetes or Bright's disease. If you have lame back, stiff joints, rheumatic aches, take Foley Kidney pills and stop the trouble before it is too late. For sale by Hawkins' Pharmacy.

HERE AND THERE.

True love, in a husband, is expressed by his willingness to give his wife anything, from the tenderest piece of cake to a divorce, if it will make her happy.

It is the flash of light by which one sees clearly that to do for another, give to another, and sacrifice for another will get one the most happiness out of life.

True love, in a bachelor, is exemplified by his willingness to marry a woman against all his instincts, his sense of self preservation, and his better judgment.

It still exists, here and there, like the Buffalo, but in the face of eugenics, feminism, war and the growing masculine determination not to marry may some day have to take a place beside the dinosaur in the public museum.

NEWS FROM RICHMOND.

It's The Same Story Everywhere.

Richmond, Va.—"Dr. Pierce's Favorite Prescription and Pleasant Pellets are two favorite remedies of mine as I have used both with most excellent results. The 'Pleasant Pellets' proved of most satisfactory help in biliousness, nausea, sick headache and chronic constipation. They gave me complete and full relief. The 'Favorite Prescription' filled its place for my female troubles. It is reasonable to suppose these ills were caused by my general debility and exhausted nervous condition, which was controlled fully by the 'Favorite Prescription.'—Mrs. S. T. THE LARGEST SNAKE.

Freeling, Va., July 28. Amos Reed, while picking huckleberries up in the Cumberland, ran upon the largest rattlesnake, he thinks ever seen in the mountains here. He describes it as being nearly as large in circumference at the middle as a man's thigh, and about four and one-half feet long. In its coil, in striking position, it looked like a monster.

Reed is an old hand, acquainted with everything that infests the mountains, and he lost no time in despatching the monster snake.

Freeling, Va., July 28. Mrs. Alexander Mullins, while riding on horseback to the store, met with a painful accident. The animal upon which she was mounted stumbled and fell. After some scrambling it regained its feet, and the woman's foot being fast in the stirrup it took fright and ran, dragging her over the rough roads in the road for the distance of a bout thirty yards. She sustained several painful bruises and a dislocated ankle.
